Week 1 — Les Petits Explorateurs: Ocean Adventures

Join us for a fun and immersive French summer camp all about oceans and marine life!

Through interactive activities such as arts and crafts, games, songs, storytelling, and hands-on projects, children will discover fascinating sea animals, underwater ecosystems, and the wonders of the ocean, all while practicing and learning French.

Led primarily in French (with the help of English when necessary), this playful and engaging camp encourages language acquisition through creativity, movement, and exploration. Open to children of all French levels, this camp is perfect for curious young learners who love animals and adventure.

 Monday, June 22nd & Wednesday, June 24th

 9:30 AM – 12:30 PM

 Level: all levels welcome | Ages 5 to 10

**Register
week 1**

Week 2 — Les Petits Explorateurs: Math and Geometry

Join us for a unique and interactive French summer camp where math and geometry become fun, creative, and accessible! Through games, puzzles, crafts, building activities, and cross-curricular challenges, children will explore shapes, numbers, patterns, and problem-solving, all while practicing French in an engaging environment.

Led primarily in French (with the help of English when necessary), this camp encourages logical thinking and language development through hands-on learning and teamwork. Open to all levels, it is especially suited for curious children who enjoy creating, building, and solving challenges.

 Monday, June 29th & Wednesday, July 1st

 9:30 AM – 12:30 PM

 Level: all levels welcome | Ages 5 to 10

**Register
week 2**

Week 3 — Les Petits Explorateurs: Garden Wonders

Join us for a creative French summer camp inspired by gardens, flowers, and the tiny creatures that live among them! Through crafts, games, nature-themed activities, songs, and storytelling, children will explore the world of insects and plants while expanding their French vocabulary in a fun and natural way.

Led primarily in French (with the help of English when necessary), this camp offers a playful environment where children can learn through imagination, discovery, and hands-on activities. Open to all levels, it is ideal for young nature lovers and budding explorers.

 Monday, July 6th & Wednesday, July 8th
 9:30 AM – 12:30 PM
 Level: all levels welcome | Ages 5 to 10

**Register
week 3**

Week 4 — Les Petits Explorateurs: Journey Through Space

Join us for an exciting French summer camp that will take young learners on an adventure through space! Through crafts, games, storytelling, science-inspired activities, and creative projects, children will discover planets, stars and the mysteries of the universe, all while learning and practicing French.

Led primarily in French (with the help of English when necessary), this camp combines imagination, creativity, and language learning in a playful and supportive environment. Open to all levels, it is perfect for children who dream of exploring the stars.

 Monday, July 13th & Wednesday, July 15th
 9:30 AM – 12:30 PM
 Level: all levels welcome | Ages 5 to 10

**Register
week 4**

Week 5 — Les Petits Explorateurs: Our Planet

Join us for a fun and engaging French summer camp focused on geography, nature, and the environment! Through interactive games, crafts, storytelling, and hands-on activities, children will explore different regions of the world, learn about ecosystems, and discover new French vocabulary connected to nature and our planet.

Led primarily in French (with the help of English when necessary), this camp encourages curiosity, cultural discovery, and environmental awareness in a playful learning environment. Open to all levels, it is ideal for young explorers eager to learn about the world around them.

 Monday, July 20th & Wednesday, July 22nd

 9:30 AM – 12:30 PM

 Level: all levels welcome | Ages 5 to 10

**Register
week 5**

Week 6 — Les Petits Explorateurs: Art Studio

Join us for a colorful and creative French summer camp celebrating art in all its forms! Through painting, crafts, games, music, storytelling, and imaginative projects, children will discover different artistic styles and techniques while expressing themselves in French.

Led primarily in French (with the help of English when necessary), this camp offers a joyful and supportive environment where creativity and language learning go hand in hand. Open to all levels, it is perfect for children who love to create, experiment, and express their imagination.

 Monday, July 27th & Wednesday, July 29th

 9:30 AM – 12:30 PM

 Level: all levels welcome | Ages 5 to 10

**Register
week 6**
